

Post-Masters DNP Leadership Program

The Post Masters DNP Leadership program is designed for those on a leadership trajectory across all settings. The program builds on the students previous MSN program outcomes. This program is designed to incorporate the ongoing changes in the healthcare system. The Essentials of the Doctoral Education for Advanced Nursing Practice, QSEN and the AONE competencies are embedded in this program. Students completing this program are prepared to take the leadership certification exam offered through ANCC or AONE. This program is a hybrid program (primarily on-line with 1-2 face to face classes per course.) The 500 mentored hours are obtained through the development, implementation and evaluation of the required DNP project.

Role and Qualifications: Students in this program come from varied roles from staff nurse to nurse executive and across varied settings to include practice, academia, and industry.

Scope of Practice: Graduates of this program are expected to lead healthcare organizations across the continuum in changing the delivery of care and the expected outcomes for our clients, community and global health. Graduates of this program will contribute to the discipline of nursing through innovation and evidence.

Curriculum: The Post-Masters DNP Leadership Program is 41 credits with minimum 500 mentored hours in which the student develops, implements, evaluates and disseminates their DNP Project. Applications are accepted both in Fall and Spring on a rolling basis. The following are the required courses:

DNP Core Courses:

Course #	Course Title	Cr. Hrs.	Clinical Hrs.
