Semester Total			3	Semester Total		3	
Total Practicum Hours = 500		Total Program Credits				44	

Management of Health Data must be taken before DNP Capstone Project Planning & Proposal Development; and Clinical Inquiry & Evidenced Based Practice must be taken before Management of Health Data. Implementation courses are taken the final 2 semesters. If students have not completed the DNP Project requirements by the end of Implementation, they will be required to register for the course, "Project Continuation" (1 credit) each subsequent semester until DNP Project requirements are met.
