Clinical Faculty,

The Center for Clinical Learning team (CCLt) is available to support students with mastering nursing psychomotor skills along with prioritizing and critical thinking. (Students that require assistance regarding content or medication calculations should be referred to the Center for Academic Success <http://nursing.rutgers.edu/cas/>).

Please complete the form below, email or present this form to Debora Tracey ([traceydl@sn.rutgers.edu](mailto:traceydl@sn.rutgers.edu)) or to any CCLt member above. Please ask the student to arrange for an appointment with the appropriate CCLt member.

The Center for Clinical Learning will provide the referring instructor and course leader with remediation feedback.
