Film Screening & Reception

Reception: 5:30 pm
Film Screening: 6:30 pm

Rutgers School of Nursing
110 Paterson Street – Room 102
New Brunswick, NJ

Meeting with Dr. Larson following the film

This film, currently being shown on HBO, goes beyond politicized rhetoric to show the faces of real people in the middle of the immigration debate, asking if America can continue withholding basic necessities from an estimated 11 million undocumented immigrants.

After the Film, stay for the discussion with Dr. Steve Larson, Executive Director, Puentes de Salud, the clinic portrayed in the film.

Co-sponsored by:
