

## Saturday, October 7, 2017

Ackerson Hall, 1st Floor Dean's Lounge  
180 University Avenue • Newark, NJ

# PHD INFO SESSION

PhD in Nursing or Urban Systems

Free  
Seminar and  
Luncheon for  
Prospective Students

### Presenters

Karen D'Alonzo, PhD, RN, APN-c, FAAN  
Associate Dean of Nursing Science/PhD Program in Nursing

Linda Flynn, PhD, RN, FAAN  
Director of PhD programs for the Nursing Science Division

Sabrina Chase, PhD  
Director, Joint PhD in Urban Systems, Urban Health Program

Ample opportunities will be available to network with directors, faculty and students from both programs. Topics include:

- Choosing, applying and getting into the right PhD program for you
- Tips and tactics for success in your studies
- Your wide-ranging career options with a PhD in Nursing or Urban Systems
- How a PhD can help you make a difference
- The Post-BS to PhD in Nursing track

### Two separate sessions are available:

- Session A: 10:00 a.m. - 12:30 p.m.
- Session B: 11:30 a.m. - 2:00 p.m.
- Both sessions cover the same information.
- Free admission, lunch provided.
- Advance registration required.
