Credits Required for Degree: 125

Credits may be granted for equivalent first and second year courses taken at an accredited institution of higher learning provided grades of "C" or better are earned. Qualified second degree or RN students admitted to the College of Nursing may elect to take advanced placement examinations or self-pace specified undergraduate courses.

- * required of all first year students
- ** or equivalent inferential statistics course

¹ The Curriculum for the nursing program on the Newark or New Brunswick campus is identical however course names and numbers may differ slightly.

² Anatomy & Physiology requires special permission from the Life Sciences department for non-College of Nursing students.

³ The prerequisites for Pathophysiology are Anatomy & Physiology I & II.

⁴ The pre- or co-requisite for Human Interactive Processes is Intro to Sociology.

⁵ The prerequisite for Statistics is precalculus. College of Nursing students (only) are eligible to have the prereq waived.
