We are seeking dedicated Registered Nurses available for per-diem substitute school nursing in multiple school districts throughout Monmouth County.

**Job Responsibilities:**

- Provides first aid care and medically prescribed services.
- Maintains security of school health supplies.
- Serves as a resource person on health issues.
- Screens and conducts health appraisals for students and staff.
- Corresponds with parents on health needs of children.
- Records immunizations, health findings, and other relevant health data.
- Considerable knowledge of medical disorders, treatments, and child growth and development.
- Working knowledge of public health problems and procedures for treatment in coordination with other health and social service agencies.
- Working knowledge of Federal, State, and Local laws and regulations affecting the delivery of school health services.
- Ability to identify abnormal growth and development and symptoms of disease.
- Ability to coordinate and facilitate services between the school, local health agency, and other community resources.
- Ability to develop and maintain health records on students and positive working relationships.
- Other Registered Nurses (RN) duties as assigned

**RN Requirements:**

- Must have one year of professional experience as a nurse
- Active CPR card
- Ability to travel to schools throughout Monmouth County
- NJ Nursing License
- Must be willing to get your New Jersey Department of Education Fingerprints.
- Must be willing to obtain school nurse certificate (No worries, we make it easy!)
