HEALTHCARE EXPERIENCE

NYU Langone Medical Center

Health Career Opportunity Program Intern

New York, NY

June 2017-July 2017

- Gained 112 clinical hours shadowing the nursing staff and patient care technicians in the pediatric unit.
- Independently took patient vital signs, including blood pressure, temperature, heart and respiratory rate.
- Assisted staff in tasks such as obtaining bloodwork, changing dressings, feedings, and catheter removals.
- Answered call bells for all rooms in the unit; ensured patients and their families were comfortable, safe, and taken care of throughout the day.

Ocean Medical Center

Emergency Department Volunteer/Surgical Floor Volunteer

Brick, NJ

April 2014-August 2017 (Seasonal)

- Logged over 330 hours in the emergency department assisting patients from triage to admission to their rooms; assisted the nursing staff and other team members in the ED.
- Assisted the unit secretary of the surgical unit filing charts, answering call bells; ensured the unit was properly and sanitary.

Princeton Medical Institute

Research Assistant Intern

Princeton, NJ

January 2017-May 2017

- Collected, analyzed, and interpreted the medical history of potential patients to determine eligibility for six clinical trials.
- Prepared blood and urine samples for shipping under sterile conditions.
- Assisted in administering Transcranial Magnetic Stimulation tests to patients.

LEADERSHIP AND VOLUNTEER EXPERIENCE

Omega Phi Alpha National Service Sorority

Secretary/Active Member

New Brunswick, NJ
