

Out-of-Hospital Nurse Residency Program

Position Posting

Employer Name	The Center for Network Therapy
Position Title	Staff RN
Location	West Orange NJ, Middlesex NJ, Freehold NJ
Organization Description	Our philosophy is based on the concept of wellness as it relates to complete health and wellbeing an a combination of different aspects of one’s life and social environment that allows one self to continuously process and define and re define themselves as they deem necessary. CNT believes the process of wellness starts with training the mind to accept only positive beliefs and thought while revising and reframing negative or self- destructive ones. CNT espouses a short term strength based bio-psycho-social model of treatment that honors the fundamental rights, dignity and recovery venture of the human person.
Position Description	RN is responsible for admission assessments, daily assessments, discharges, medication administration, education groups, emergency situations, discharge planning. At least one holiday of the three major holidays during that season. Example: X-mas, Thanksgiving day, New Years Day. Nurse works one of those holidays.
Additional Qualifications	BLS
Application Process	Submit resume to Career Counseling Officer, Shreya Parekh, at sparekh@sn.rutgers.edu
