Management of Health Data must be taken before DNP Project Planning & Proposal Development and Clinical Inquiry & Evidenced Based Practice must be taken before Management of Health Data. Implementation courses are taken at the end of the program. If students have not completed the DNP Project requirements by the end of Implementation, they will be required to register for the course, "Project   Continuation" (1 credit) each subsequent semester until DNP Project requirements are met.

Courses with asterisks * must be taken in the same format either weekend model or traditional model.
