Designed for nurses with at least two years’ experience in full-time practice, MNLI is a 10-month program that addresses unique challenges faced by nurses from minority backgrounds and equips them with leadership knowledge, skills, and strategies to expand their scope of influence in workplace and community environments.

MNLI is an excellent resource for nurses to advance their own professional abilities and for institutions to support leadership growth among their nursing teams. Contact us today!

Program Highlights

- Attend 10 monthly Saturday seminars.
- Work 1-to-1 with an expert nurse mentor.
- Network with renowned guest speakers.
- Collaborate on an evidence-based team project.
- Nursing contact hours will be awarded.
