The screenshot displays a patient portal interface. At the top, a navigation bar includes links for Home, Immunizations, Mandatory Health Form/Questionnaires, Messages (with a notification icon), and Upload. Below this is a blue-bordered box with a warning: "Use Secure messaging to communicate with your health care provider. Secure messages are more secure than email so your confidentiality is always protected! Please do not use secure messaging for urgent matters or appointment requests. Call the office at 973-972-8219 instead." The main content area shows an email inbox with the following entries:
