While the scrubs are women's sizing, this style for Cherokee scrubs do tend to run bigger so if you are in between sizes we recommend to size down. The lab coats are Unisex so sizing down is definitely recommended for women.

The men's scrubs tend to run true to size. Please pay attention to the waist sizing if your upper body is bigger than your waist as you can definitely mix-and-match sizing.

The lab coats are unisex so again for men they run true to size.
