Please see Curriculum Sheet for more information pertaining to the AGAC NP program including, but not limited to a program description, role and qualifications, scope of practice, curriculum, and accreditation.

In addition to the successful completion of the above course requirements, all DNP students must meet all the DNP project requirements set forth by the program. Additionally, the students who do not complete their projects during the project related courses will be required to register for a 1 credit- Project Continuation course for the subsequent semesters until project completion. The Doctor of Nursing Practice program at Rutgers School of Nursing is accredited by the Commission on Collegiate Nursing Education (www.aacn.nche.edu/ccne-accreditation).

Please see plan of study for more information regarding DNP Projects and Degree Completion Time Limits.
