Are You a Registered Nurse in a Bachelor of Science in Nursing Program (BSN)?

Join our team ... and stand proud as a Magnet nurse.

ANCC Magnet Recognition is the highest and most prestigious international distinction that a health care organization can receive. Working at The Valley Hospital means you'll be part of a team that is committed to superior nursing processes and patient care, resulting in the highest levels of safety, quality, and satisfaction among nurses and patients alike.

As a Magnet organization, The Valley Hospital embraces change and innovation and supports advanced education and continuous professional development. Join our team and you'll work alongside and learn from the best of the best, with many opportunities to advance your career. In short, a Valley nurse is a Magnet nurse.

Visit our website at www.ValleyHealth.com to learn more about all the ways we are improving healthcare delivery and patient outcomes each and every day.
