

Board Certified Nurse Practitioners

Make a Difference. Be a Part of the NCHC, Inc. Team!

Newark Community Health Centers, Inc., FQHC, is a multi-cultural, Patient Centered Medical home- Level III that provides primary care services (Family/Adult Medicine, Pediatrics, OB/GYN, and Dental) and social services. We are dedicated to meeting the health care needs of the medically underserved in the greater Newark area. Join us as we expand!

We are looking to hire advanced practice registered nurses who provide comprehensive primary and preventative health care and disease management to individuals within a discipline of certification (Adults, Pediatrics, Family, and Women's Health). The incumbents in this job have routine access to individually identifiable health information including the patients' entire medical records on a need-to-know basis only.

Qualifications/Education/Experience

1. Registered Nurse with a master's degree as an advanced nurse practitioner
2. Licensed by the state of NJ as a registered nurse and an advanced practice nurse with prescriptive authority preferred (NJ CDS, federal DEA)
3. Federal NPI
4. Certified by the American Academy of Nurse Practitioners, National Certification Corporation or the American Nurses Credentialing Center
5. Considerable knowledge of state and federal public health laws specifically in regard to Medicine
6. Experience working with eclinicalworks (medical record)
