

# 3rd Annual Winter Institute for Scoping Reviews

**RUTGERS**  
School of Nursing

**December 15, 2023**

Rutgers Health Sciences Campus at Newark, NJ

*Registration deadline: Dec. 1, 2023*

The Winter Institute aims to prepare researchers and knowledge professionals to meet the growing need for scoping reviews of the literature that can inform policy and practice.

## Specialized Instruction. Small Groups.

This year's session will be held via videoconferencing and the Rutgers Canvas Learning Platform. You will gain hands-on instruction and practice in using the JBI specialized software program called SUMARI (the System for the Unified Management, Assessment and Review of Information), which is designed to assist researchers and practitioners to conduct 10 different types of systematic review, including reviews of effectiveness, qualitative research, economic evaluations, prevalence/incidence, aetiology/risk, mixed methods, umbrella/overviews, text/opinion, diagnostic test accuracy and scoping reviews.

More information on this comprehensive tool is available at [jbisumari.org](http://jbisumari.org)
