

Next Cohort Begins in December!

NEW GRADUATE RN RESIDENCY PROGRAM

at The Valley Hospital in Ridgewood, NJ

The Valley Hospital's New Graduate RN Residency Program has been successfully training nurse residents since 2007. Our comprehensive, six-month program combines both classroom and hands-on experiences to transition new graduates to professional nurses in multiple specialty areas. Our program was awarded Practice Transition Accreditation Program (PTAP) accreditation with distinction for the second time in 2022!

Clinical Areas to Choose From:

- Emergency Department
- Clinical Decision Unit (CDU)
- Critical Care
- Medical/Surgical
- Float Pool
- Heart and Vascular
- Women's and Children's Services
