

Student Nurse Fellowship Opportunity

Eligibility:

- Student Nurses in Bachelor Degree Programs who have Completed Junior Year
- 3.0 GPA & Recommendation from Faculty

Program Description:

- The Student Nurse Fellowship Program offers a hands-on clinical experience as well as didactic & simulation training for student nurses who have completed their Junior year.
- The program provides an opportunity for student nurses to work within the Penn Medicine Princeton Medical Center in the Nursing Assistant role 40hrs/week over the summer 2024 and transitioning to 2days/month during the Fall 2024 and Spring 2025 semester.
- Upon completion of the Student Nurses' Senior year, successfully passing the NJ State Nursing Board examination, and at the recommendation of their Nurse Manager, they are eligible to apply for the Penn Medicine Princeton Medical Center Nurse Residency Program.
