STUDY TIPS FOR COLLEGE LEARNING

Nursing courses can be different from previous learning you have experienced.

Here are some tips to make the most of this new learning experience and aid in your success this semester:

FIND A QUIET, COMFORTABLE SPACE TO WORK

A desk and comfortable, supportive chair are best, but try to work with what you have available to you. Investing in a lumbar pillow or supportive seat cushion might be worth it! If you can't find a completely private space, talk to the people you live with about setting quiet hours so you can work and study in relative silence at certain times of the day.

DEVELOP A SCHEDULE OR ROUTINE FOR YOUR DAYS

A consistent routine will help you stay on track and manage your time. Set aside blocks of time in your daily schedule for studying and assignments in addition to classes. Make sure to include time for exercise, meals and free time too. We recommend purchasing a calendar or planner to keep track of class times, assignment due dates and daily/ weekly goals. Try not to procrastinate either – leave yourself plenty of time to complete readings and assignments.

MAKE THE MOST OF YOUR CLASSES

Even though Nursing School can be difficult be sure to be there on time; fatigue is real, but stay engaged by taking notes during the lecture, asking questions and participating in class discussions.

KEEP IN CONTACT WITH YOUR PEER MENTORS, ADVISORS & PROFESSORS

Reach out to your peer mentors, academic deans or professors with any questions and concerns. Everyone is invested in your success and would be happy to chat over email, in-person, phone or video chat!

FIGURE OUT THE BEST WAY TO STUDY

Some people prefer to study in silence on their own. Others prefer flashcards or studying in a group. Various apps and websites allow you to create digital flashcards to help you study. Don't be afraid to reach out to classmates to create a study group. This will help you get to know your peers, give you a place to ask questions and work together to learn class material.

EMAIL COMMUNICATIONS

Which Email Address Should I Use?

All students have a School of Nursing email address, netid@sn.rutgers.edu. This should be your default email address. **This email address MUST be used for ALL academic work.** You can view your emails for this account at connect.rutgers.edu.

All students also have a generic Rutgers email, also called Scarletmail, (netid@scarletmail.rutgers.edu) that can be viewed at mail.google.com.

If you want to change your Scarletmail to something more simple (e.g. firstname.lastname@rutgers.edu), go to <https://netid.rutgers.edu/index.htm> and click "Manage Email Addresses." The new email addresses you create will forward emails to your Scarletmail address.

Setting Up Email on Your Phone

Make sure you set up your emails to your phone. For your Scarletmail and generic emails, you can set them up on your phone as you would with any mail. For your nursing email, follow these specific instructions:

SELF CARE TIPS

Adjusting to Rutgers and Nursing School isn't easy. Here are some tips to help you stay healthy and well, physically, emotionally and mentally:

EAT HEALTHY AND STAY HYDRATED

To keep feeling good, try to eat well as much as possible. Incorporate fruits and veggies into your day and avoid fried foods or overeating, which will make you feel tired and sluggish. Staying hydrated is also important. Keep a water bottle close by while you do your work and attend class so you can sip throughout the day.

EXERCISE, GO FOR A WALK AND STRETCH

Classes, studying and assignments means you'll be spending long periods of time sitting down. Try to get up at least once an hour to stretch and walk around. Incorporate exercise into your day if you can, and at the very least take a walk outside.

MAKE SURE TO SET TIME FOR YOURSELF

Avoid burn out by taking some time for yourself to talk to family and friends, enjoy a hobby, or even just read a book or watch some TV. This is essential to your mental health, and will make you more productive in the long term. It's okay to prioritize some me-time in your busy schedule!

REMEMBER, HELP IS AVAILABLE IF YOU NEED IT

Rutgers offers its students confidential counseling services to help them deal effectively with school-related stress and personal problems that affect general well-being, home life and/or academic performance. For more info on how to schedule an appointment, [visit this link](#).
