

# School Nurse Certificate

22-credit online program  
with 75-hour in-person practicum

Apply by February 1  
for Summer admission.

- For professional registered nurses who wish to be certified in school nursing (instructional certificate) in the State of New Jersey.
- Provides RNs with the appropriate educational background, experiences and competencies to carry out the responsibilities and functions of the school nurse.
- A post-bachelor's certificate program for registered nurses with a BA, BS or BSN.

Candidates for the School Nurse Certificate must:

- Hold current CPR and AED certification.
- Complete training in airway management and in the use of nebulizers and inhalers.
