

Curriculum effective Fall 2026

Revised December 2025

Post-Master’s Certificate Family Nurse Practitioner Program

Post-Master’s Certificate Nurse Practitioner students who did not complete Advanced Pathophysiology, Advanced Pharmacology, and/or Advanced Health Assessment during their previous graduate studies or prior to admission will be required to take these courses. A gap analysis to determine what/if any additional courses are required for the respective program will be completed by the Specialty Director upon admission.
