Date:

*Please refer to the Division of Advanced Nursing Practice Student Handbook for more details surrounding DNP Project courses, progression, and program completion timeline.

**The minimum number of combined clinical practicum and DNP project experience hours is 1,000. Students, however, may be required to complete more than 1000 hours to meet minimum competency requirements for graduation and certification (when applicable).

***This course requires in-person attendance for on-site immersions.

BS-to-DNP students must complete all program requirements within six (6) years of admission.
